Oral presentations

As we have a very busy schedule, we kindly ask the authors to respect the allocated presentation time. Note that session chairs were instructed to strictly stick to the time schedule as follows.

- **Keynote lectures: 25 min + 5 min discussion**
- **Regular talks: 15 min + 5 min discussion**

The chairs are obliged to cut the speakers off if they go over their time.

PRESENTATION UPLOAD: The conference lecture hall and all other rooms are equipped with computers for presentations, which will be uploaded to the computers by help of the staff person.

The authors are requested to bring a USB flash drive with their presentation to the conference room

- **on Wednesday, August 24, during registration time (from 14:30- 15:00)**
- **on Thursday, August 25, at 8:30 in the morning or in the lunch break (from 14:30- 15:00, if your presentation is after lunch)**

FILE FORMAT: Microsoft PowerPoint (preferred)

Poster presentations

Posters should be printed in a vertical **A0 format (841 x 1189 mm).**

POSTER MOUNTING: We want the posters to be as visible as possible. The authors are kindly asked to mount the posters **in the morning on Thursday, August 25 (after 8:00) and remove them on Friday (until 18:00).**

If the poster will not be removed on Friday evening, we will do it for you. Note that the organizers do not take the responsibility for the posters that will not be removed on time.

Poster panels will be marked with the presentation numbers (i.e. **PXX**). The authors are requested to use the allocated panels only.

The material will be available for mounting the posters.
